## SUB – EXPERIENCE CERTIFICATE

TO WHOM IT MAY CONCERN

We are glad to inform you that Ms. Hiral Arora student of Somerville School Noida studying in class 10<sup>th</sup> has successfully completed her summer internship at TechSpur from 1<sup>st</sup> April 2021 to 30<sup>th</sup> June 2021.

During her internship, she helped us in making graphic banners on photoshop and posters for our clients. She helped us in organising our online webinars with various universities by introducing speakers and arranging questionnaires, etc. She also increased our audience by posting graphics and previous webinar images on social media.

She is a really bright, dedicated and punctual student. She was always available for meetings and completed the tasks given to her in least possible time. Her hardworking and inquisitive nature are some of the virtues that we highly appreciate about her. We observed her dedication and respect towards her tasks. She is a highly well managed student and is well versed with photoshop.

We are lucky to have her as our intern and wish her the very best for all her future endeavours.

TECHSPUR

Mr. Sanjeev Malhotra
